

Scissor, Knife, & Clipper Blade Sharpening Specialists

Have your scissors, from high-end hair dresser and grooming shears to every day household scissors, professionally sharpened by a factory trained technician. We sharpen knives of all shapes and sizes. Additionally, we sharpen professional level clipper blades from barber and groomer to large animal sizes. **And now, we also do smaller gardening tools.**

We will come to you! We will sharpen everything at your business, residential or farm site. Our self contained mobile workshop has everything we need for immediate service at your location.
